TRACS Update

JULY 1, 2015

Dear Wildlife TRACS User Community,

Live TRACS classroom training is coming up August 11th & 12th in Denver, Colorado. If you would like to attend, register soon! The deadline to register is July 28th and we must have a minimum of 10 participants to hold the training. More information can be found on the [TRACS Classroom Training Information](#) page.

The training team also has some new resources available for you:

- Remember to visit the [TRACS Knowledge Management Site \(or KMS\)](#) for **all your TRACS training and reference needs**. This site is updated regularly as new training videos and reference materials are developed.
- Check out the new [TRACS Forums](#), where you can ask questions or discuss various topics including **region-specific guidance, best management practices** and **grant-program specifics**. There are also general forums, such as “[Ask The TRACS Team](#)” and “[Pet Peeves in TRACS](#)”.
- Don't forget that we also have **videos and guides** on [Using Layers and Filters](#), [Locating and Completing Legacy Data](#) and [User Administration](#).
- In addition to classes, keep in mind we also offer scheduled, informal [mentoring/round table sessions](#) where you can drop in with a question, review a specific topic or just "chat" about TRACS with other users.

Please check out the new offerings!

On behalf of the TRACS Team, thank you for your support!
